

We're all for one!

At Kennybrook, we believe in the power of camp to change the life of each child. We focus on the individual needs, interests, and passions of each camper to ensure your child has an unforgettable experience. We are a community of more than 300 campers, but we prefer to think about that as 300 "ones."

If you are looking for a traditional summer camp where every child is truly known, Camp Kennybrook should be the first choice for your son or daughter. At Kennybrook, a wide range of traditional camp activities and select athletics provides campers with the opportunity to gain self-confidence and achieve independence while creating lifelong friendships. At Camp Kennybrook, we're all for one - focusing all of our efforts on delivering a spectacular summer camp experience - one camper at a time.

WHAT MAKES US DIFFERENT?

We offer a range of sessions, including 2, 3.5, & 7-week options, all with accessible tuition rates. Nestled in the Catskill Mountains, 90 minutes north of New York City, we are a family owned, family run, co-ed camp where literally everyone knows everyone.

WHAT OUR FAMILIES SAY:

Kennybrook parent: "Howard and Stacey Landman make me feel like they really know my kid, and when they talk to me, that's the only kid that matters to them at that moment."

THE KENNYBROOK PROGRAM

We offer all the traditional activities of an overnight camp plus more including private athletic lessons and special initiatives like "Kennybrook Kindness" where we learn about and practice community-wide kindness. Every camper participates in a range of activities including athletics, waterfront, performing & creative arts, STEM, outdoor adventure, special events, & more!

TEEN TRAVEL ADVENTURES

Our Teen Travel Adventures program gives campers finishing the 8th and 9th grades the best of a traditional camp experience combined with a unique age-appropriate travel program. It is an exciting and safe way for your child to travel with friends as well as with familiar, trained Kennybrook leaders and staff.

THE KENNYBROOK FAMILY

Approximately 300 campers and 125 staff members call Kennybrook their summer home and second family each summer. Our staff and counselors are hired selectively to be role models and friends, showering campers with individual attention and ensuring they have an unforgettable experience. We are proud to share that we have over an 85% camper return rate each summer and a 3:1 camper to staff ratio.

A FAMILY TRADITION

In 1965, Carole and Peter Landman purchased Camp Kennybrook. Their vision was to create a place where kids can unwind, have fun, and be themselves in a comfortable but challenging environment - and that is exactly what they created. Today their children, Howard & Stacey, own and run the camp. Over 60 years later, they are proud to maintain the family tradition.
